Traffic restrictions

- Regulated hours are estimates and may vary depending on traffic and event conditions. Thank you for your understanding in advance.
- Vehicles (also including bicycles and e-scooters, etc.) are prohibited on the race courses and some nearby roads for a long time. About detours, please follow the directions by the policemen and officials there. And crossing over the race courses is also regulated.
- When you use vehicles, please choose recommended alternative routes and main passable routes. Note: Crossing points will be set on the day of the races, and crossing will be regulated while racers pass the points area. Thank you for your understanding, too.
- Public transportation (such as local buses) may be suspended, turned back or rescheduled depending on the section.
- Flying a drone over the course or around the venue, etc. without permission is prohibited under Civil Aeronautics Act.
